Manager Remarks :

The 2015 edition of Marconi Memorial Contest VHF was held successfully.

I had received 679 valid logs in the single operator category and 146 in the multioperator, thus showing an increase of about 19% and 13% compared to the 2014 edition. From this edition there are also two new categories called 6 Hours single and multioperator. I received 32 logs for 6H single and 9 for 6H multi.

The greatest problem in the logs sent was the too high rate of unreadable or not well formed logs. This problem may force the manager to discard many logs.

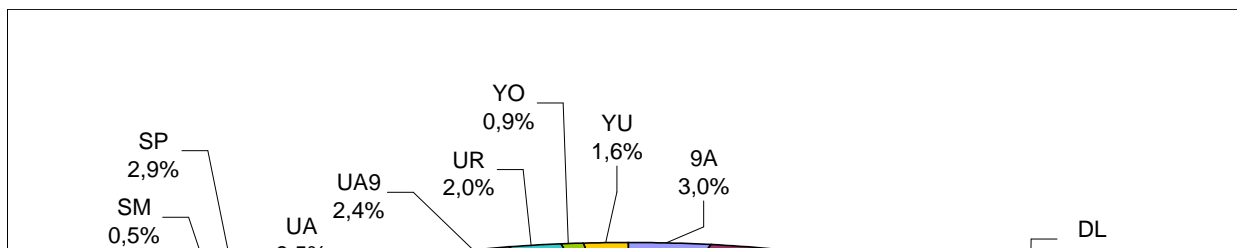

I want to remind that the official EDI IARU file's format can be retrieved on the IARU VHF Managers Handbook.

In the single op category wins DK6AS followed by OE5D and OM5AW.
 In the multi op category wins DA0FF followed by OM6A and OM3W.
 In the 6 Hours single op wins OE2M followed by IU4AZC and S53X.
 In the 6 Houts multi op wins IW5BUX/4 followed by E74DNO and IZ3VTH.

In the CHECKLOG set there are, by request: dl1bsn, dl8bh, ok1fly, ok7cm, r3rw, r4ii, ra3ajt, rd9fa, rw3px, rx1as, sp5qat, sp9dno, sq2eeq, ua3p, ua4hqi, ua6ax, ua6ec, ua9wtf, ut5l.

For uncorrectable log: ua3dsn, and for wrong time and date: ra9at, rw6hb ; for unreadable log sp5bnt

As many of you already know, last November 25th Claudio Maracci I4XCC is SK. Claudio died after an heart attack, around the 10 PM. He was suffering from a cardiac amyloidosis caused by multiple myeloma, a disease that was diagnosed at the beginning of August.

Claudio was active on 2m since the 70s, very good operator, and amazing morse operator, also he made the very first QSO on Aurora from Italy on this band, and let's not forget his activities via ES-TR-MS-AU and also EME. He was also very active in contest activities, as Multi-operator in Monte Fumaiolo team (I4KLY) where he broke record after record, and later he devoted himself mainly to activity as a single operator from his QTH near Rimini, with his 4x17 el. F9FT and he was victorious in Europe for the Marconi Memorial Contest in both 1994 and 1996.

Marconi Memorial Contest Committee decided to create an **I4XCC Memorial Award** for 2015 for the Single Operator that made the best DX during the contest, if there are two stations with the same qrb the winner is the one that achieved the best score.

These are the best DX for this year :

#	Call	QRB	ODX
1°	G4ZTR	1459	HA6W
2°	G4BRK	1453	OM6A
3°	G7RAU	1449	OM6A

John **G4ZTR** win the award in memory of I4XCC for this year.

During the next HamRadio Messe in Friedrichshafen (Germany), there will be the Prizing Ceremony. The ceremony will take place on :

Saturday, June 25th at 13:00 local time
at the ARI Official Stand
